Hi Josina,

Well done on completing your next block of questions and tests - welcome to your next block of training! We have now completed creating your Lattice Training Plan which has now been delivered directly to your Lattice Training app account! You will see your plan on the home screen as soon as you sign in. For more details about the Lattice Training app, including download links, see [here](#).

Don't forget, Lattice Training Plans do not come with 1:1 coach support, but you do have access to the Lattice Training Facebook page for support.
